Incoming

Any call received in the blue/yellow area on a Fido phone with a Victoria phone number is local.

Outgoing

Any call made from a Fido phone within the blue area to a local number (or number based) in the blue/yellow area is local.

*Map is a general representation of the Local Calling Area coverage, where indicated. The areas shown are approximate. Actual coverage area may vary from map graphics. Charges are based on the location of the site receiving and transmitting the signal, not the location of the subscriber.
